SPECIAL MEETING OF SHAREHOLDERS PROXY STATEMENT

This Proxy Statement is being sent to the holders of shares of Common Stock of Aspen Group, Inc., a Delaware corporation ("AGI" or the "Company") in connection with the solicitation of proxies by our Board of Directors (the "Board") for use at a Special Meeting of Shareholders of the Company which will be held at 9:30 a.m., local time on July 6, 2022 at the Company's offices located at 4615 E. Elwood Street, Phoenix, Arizona 85040 (the "Special Meeting"). The Notice of Special Meeting and this Proxy Statement and form of proxy are first being mailed on or about May 23, 2022 to our shareholders of record entitled to vote at the Special Meeting.

Who is entitled to vote at the Special Meeting?

The Board has fixed the close of business on May 12, 2022 as the record date (the "Record Date") for a determination of shareholders entitled to notice of, and to vote at, the Special Meeting. As of the Record Date, there were 25,202,278 shares of Common Stock, par value \$0.001 per share of the Company outstanding. Each share of the Company's Common Stock represents one vote that may be voted on each matter that may come before the Special Meeting. There are no shares of preferred stock, par value \$0.001 per share ("Preferred Stock") outstanding.

What matters will be voted on at the Special Meeting?

The two proposals that are scheduled to be considered and voted on at the Special Meeting are as follows:

1. Approve an increase in the number of authorized shares of Common Stock from 40,000,000 shares to 60,000,000 shares (the “Authorized Share Increase”), and approve a corresponding amendment to the Company’s certificate of incorporation, as amended, to effect the Authorized Share Increase (together, the “Authorized Share Increase Proposal”); and

2. Approve the adjournment of the Special Meeting to a later date or time, if necessary, to permit further solicitation and vote of proxies if, based upon the tabulated vote at the time of the Special Meeting, there are not sufficient votes to approve the Authorized Share Increase (the “Adjournment Proposal”).

What are the Board’s voting recommendations?

The Board of Directors recommends that you vote “FOR” the Authorized Share Increase Proposal and “FOR” the Adjournment Proposal.

Why does the Company need to hold this vote?

The purpose of the Authorized Share Increase is to provide for a sufficient reserve of authorized but unissued shares of Common Stock to enable the Company to (i) permit the issuance of Common Stock underlying and comply with the reserve requirements under outstanding derivative securities convertible into or exercisable or exchangeable for shares of Common Stock, (ii) allow for future grants which may be made under the Company’s 2018 Equity Compensation Plan, and (iii) give the Board the ability to issue shares of Common Stock or derivative securities, if and when the Board deems it appropriate to enter into strategic transactions or raise capital. See “Purpose of the Authorized Share Increase” on page 7 for more information on the purpose and potential effects of the proposed Authorized Share Increase.

What is the difference between holding shares as a record holder and as a beneficial owner?

If your shares are registered in your name with the Company’s transfer agent, Action Stock Transfer Corporation, you are the “record holder” of those shares. If you are a record holder, these proxy materials have been provided directly to you by the Company.

If your shares are held in a stock brokerage account, a bank or other holder of record, you are considered the “beneficial owner” of those shares held in “street name.” If your shares are held in street name, these proxy materials have been forwarded to you by that organization. As the beneficial owner, you have the right to instruct this organization on how to vote your shares.

Who may attend the Special Meeting?

Record holders and beneficial owners may attend the Special Meeting. If your shares are held in street name, you will need to bring a copy of a brokerage statement or other documentation reflecting your stock ownership as of the Record Date. Please see below for instructions on how to vote at the Special Meeting if your shares are held in street name.

How do I vote?

Record Holder

1. Vote by Internet. The website address for internet voting is on your proxy card.
2. Vote by phone. Call 1-800-690-6903 and follow the instructions on your proxy card.
3. Vote by mail. Mark, date, sign and mail promptly the enclosed proxy card (a postage-paid envelope is provided for mailing in the United States).
4. Vote in person. Attend and vote at the Special Meeting.

If you vote by Internet or phone, please DO NOT mail your proxy card.

Beneficial Owner (Holding Shares in Street Name)

1. Vote by Internet. The website address for internet voting is on your proxy card.
2. Vote by mail. Mark, date, sign and mail promptly the enclosed proxy card (a postage-paid envelope is provided for mailing in the United States).
3. Vote in person. Obtain a valid legal proxy from the organization that holds your shares and attend and vote at the Special Meeting.

What constitutes a quorum?

To carry on the business of the Special Meeting, we must have a quorum. A quorum is present when a majority of the outstanding shares of stock entitled to vote, as of the Record Date, are represented in person or by proxy. Shares owned by the Company are not considered outstanding or considered to be present at the Special Meeting. Broker non-votes and abstentions are counted as present for the purpose of determining the existence of a quorum.

What happens if the Company is unable to obtain a quorum?

If a quorum is not present to transact business at the Special Meeting or if we do not receive sufficient votes in favor of the proposals by the date of the Special Meeting, the persons named as proxies may propose one or more adjournments of the Special Meeting to permit solicitation of proxies.

How many votes are needed for each proposal to pass?

Proposals	Vote Required
(1) Approve the Authorized Share Increase to increase in the number of authorized shares of Common Stock from 40,000,000 shares to 60,000,000 shares, and approve a corresponding amendment to the Company’s Certificate of Incorporation, as amended, to effect the Authorized Share Increase;	Majority of outstanding shares of Common Stock
(2) Approve the adjournment of the Special Meeting to a later date or time, if necessary, to permit further solicitation and vote of proxies if, based upon the tabulated vote at the time of the Special Meeting, there are not sufficient votes to approve the Authorized Share Increase.	Majority of the votes cast

What if I am a beneficial owner and I do not give my nominee voting instructions?

If your shares are held in street name, you must instruct the organization that holds your shares how to vote. Such organization is bound by the rules of the New York Stock Exchange, or NYSE, regarding whether or not it can exercise discretionary voting power for any particular proposal in the absence of voting instructions from you. Brokers have the authority to vote shares for which their customers do not provide voting instructions on certain “routine” matters. A broker non-vote occurs when a nominee who holds shares for another does not vote on a particular matter because the nominee does not have discretionary voting authority for that item and has not received instructions from the owner of the shares or when a broker for its own internal reasons elects not to vote uninstructed shares. Broker non-votes are included in the calculation of the number of votes deemed present at the meeting for purposes of determining the presence of a quorum.

The table below sets forth, for each proposal, whether a nominee organization can exercise discretion and vote your shares absent your instructions and if not, the impact of such broker non-vote on the approval of the proposal.

Proposals	Broker Discretionary Vote Allowed	Effect of Broker Non-Votes on the Proposal*
------------------	--	--

(1) Approve the Authorized Share Increase to increase in the number of authorized shares of Common Stock from 40,000,000 shares to 60,000,000 shares, and approve a corresponding amendment to the Company's Certificate of Incorporation, as amended, to effect the Authorized Share Increase;	Yes	N/A
(2) Approve the adjournment of the Special Meeting to a later date or time, if necessary, to permit further solicitation and vote of proxies if, based upon the tabulated vote at the time of the Special Meeting, there are not sufficient votes to approve the Authorized Share Increase.	Yes	N/A

*If you do not provide voting instructions, your shares will not be voted on any non-routine proposal. Proposals 1 and 2 are considered "routine" proposals, so broker discretionary voting is permitted under NYSE Rules for each proposal. However, while broker discretionary voting is permitted for these proposals, an increasing number of brokers and similar organizations which hold shares in street name have elected to either refrain from discretionary voting or engage in a form of proportionate voting such as voting shares in a manner consistent with all other votes cast at the meeting. As a result, while broker discretionary voting could result in a vote "FOR" Proposals 1 or 2 for some or all instances in which a beneficial shareholder declines to provide instructions for voting his, her or its shares, we cannot predict what the ultimate outcome will be as it depends on the organization which has custody of the shares in each such case.

What is the effect of abstentions?

Proposals		Effect of Abstentions on the Proposal
(1)	Approve the Authorized Share Increase to increase in the number of authorized shares of Common Stock from 40,000,000 shares to 60,000,000 shares, and approve a corresponding amendment to the Company's Certificate of Incorporation, as amended, to effect the Authorized Share Increase;	Against
(2)	Approve the adjournment of the Special Meeting to a later date or time, if necessary, to permit further solicitation and vote of proxies if, based upon the tabulated vote at the time of the Special Meeting, there are not sufficient votes to approve the Authorized Share Increase.	Against

What are the voting procedures?

You may vote in favor of each proposal or against each proposal, or in favor of some proposals and against others, or you may abstain from voting on any of these proposals. You should specify your respective choices on the accompanying proxy card or your voting instruction form.

Is my proxy revocable?

You may revoke your proxy and reclaim your right to vote up to and including the day of the Special Meeting by giving written notice to the Corporate Secretary of the Company, by delivering a proxy card dated after the date of the proxy or by voting in person at the Special Meeting. All written notices of revocation and other communications with respect to revocations of proxies should be addressed to: Aspen Group, Inc., 276 Fifth Avenue, Suite 505, New York, New York 10001, Attention: Corporate Secretary.

Who is paying for the expenses involved in preparing and mailing this proxy statement?

All of the expenses involved in preparing, assembling and mailing these proxy materials and all costs of soliciting proxies will be paid by the Company. In addition to the solicitation by mail, proxies may be solicited by the Company's officers and regular employees by telephone or in person. Such persons will receive no compensation for their services other than their regular salaries. Arrangements will also be made with brokerage houses and other custodians, nominees and fiduciaries to forward solicitation materials to the beneficial owners of the shares held of record by such persons, and we may reimburse such persons for reasonable out of pocket expenses incurred by them in so doing. We have retained Innisfree M&A Incorporated to assist in proxy solicitation for an estimated fee of \$15,000 plus disbursements, reimbursable expenses and processing and service costs. If you have any questions or require any assistance in voting your shares, please call Innisfree M&A Incorporated, toll-free, at (877) 800-5195.

Could other matters be decided at the Special Meeting?

Other than the Authorized Share Increase Proposal and the Adjournment Proposal, no other matters will be presented for action by the shareholders at the Special Meeting.

What is "householding" and how does it affect me?

Record holders who have the same address and last name will receive only one copy of their proxy materials, unless we are notified that one or more of these record holders wishes to continue receiving individual copies. This procedure will reduce the Company's printing costs and postage fees. Shareholders who participate in householding will continue to receive separate proxy cards.

If you are eligible for householding, but you and other record holders with whom you share an address, receive multiple copies of these proxy materials, or if you hold the Company's Common Stock in more than one account, and in either case you wish to receive only a single copy of each of these documents for your household, please contact the Company's Corporate Secretary at: Aspen Group, Inc., 276 Fifth Avenue, Suite 505, New York, New York 10001, Attention: Corporate Secretary.

If you participate in householding and wish to receive a separate copy of these proxy materials, or if you do not wish to continue to participate in householding and prefer to receive separate copies of these documents in the future, please contact the Company's Corporate Secretary as indicated above. Beneficial owners can request information about householding from their brokers, banks or other holders of record.

Do I have dissenters' (appraisal) rights?

Appraisal rights are not available to the Company's shareholders with any of the proposals brought before the Special Meeting.

Interest of Officers and Directors in Matters to Be Acted Upon

None of the officers or directors have any interest in any of the matters to be acted upon at the Special Meeting.

Can a shareholder present a proposal to be considered at the 2022 Annual Meeting?

For a shareholder proposal to be considered for inclusion in the Company's Proxy Statement and proxy card for the next Annual Meeting of Shareholders pursuant to Rule 14a-8 under the Securities Exchange Act of 1934 (the "Exchange Act") the following is required:

- Our Corporate Secretary must receive the written proposal not later than July 11, 2022, which is 120 calendar days prior to the one-year anniversary of the date the Company's proxy materials were released to shareholders in connection with the 2021 Annual Meeting of the Shareholders (the "2021 Annual Meeting"). Such proposals also must comply with the regulations of the Securities and Exchange Commission (the "SEC") under Rule 14a-8 regarding the inclusion of shareholder proposals in company sponsored materials.

Our Bylaws include advance notice provisions that require shareholders who desire to recommend or nominate individuals for election as directors or who wish to present a proposal at the next Annual Meeting to do so in accordance with the terms of the advance notice provisions. For a shareholder proposal or a director nomination that is not intended to be included in the Company's Proxy Statement and proxy card under Rule 14a-8, our Corporate Secretary must receive the written proposal not later than the close of business on the 120th day (or July 11, 2022) nor earlier than the close of business on the 150th day (or June 11, 2022) prior to the one year anniversary of the date on which the Company released its proxy materials to its shareholders for the 2021 Annual Meeting; provided, however, that in the event that the date of the next annual meeting of shareholders is advanced more than 30 days prior to or delayed by more than 30 days after the anniversary of the 2021 Annual Meeting, for notice by the shareholder to be timely, such shareholder's written notice must be delivered to the secretary not later than the close of business on the 90th day prior to the next Annual Meeting or the 10th day following the day on which public announcement of the date of such meeting is first made, whichever is later. Your notice must contain the specific information set forth in our Bylaws.

Additionally, you must be a record holder at the time you deliver your notice to the Corporate Secretary and be entitled to vote at the next Annual Meeting of Shareholders.

A nomination or other proposal will be disregarded if it does not comply with the above procedures. All proposals and nominations should be sent to Aspen Group, Inc., 276 Fifth Avenue, Suite 505, New York, New York 10001, Attention: Corporate Secretary.

We reserve the right to amend the Company's Bylaws and any change will apply to the next Annual Meeting unless otherwise specified in the amendment.

THE BOARD RECOMMENDS THAT SHAREHOLDERS VOTE "FOR" PROPOSALS 1 AND 2.

6

PROPOSAL 1. THE AUTHORIZED SHARE INCREASE PROPOSAL

The Board has approved, and is asking shareholders to approve an increase in the number of authorized shares of Common Stock 40,000,000 shares to 60,000,000 shares (the "Authorized Share Increase") and a corresponding amendment to the Certificate of Incorporation to effect the Authorized Share Increase (the "Proposed Amendment").

Approval of the Proposed Amendment requires the affirmative vote of the holders of a majority of the outstanding shares of Common Stock. At the close of business on the Record Date, there were 25,202,278 shares of Common Stock outstanding. There are no shares of Preferred Stock outstanding.

Purpose of the Authorized Share Increase

The purpose of the Authorized Share Increase is to enable the Company to effect potential future issuances under outstanding derivative securities which are convertible into or exercisable or exchangeable for, shares of the Company's Common Stock. Under its Certificate of Incorporation, the Company is currently authorized to issue up to 40,000,000 shares of Common Stock and 1,000,000 shares of Preferred Stock. As of the close of business on the Record Date, there were 25,202,278 shares of Common Stock issued and outstanding and no shares of Preferred Stock issued and outstanding. There are also 14,514,529 shares of Common Stock reserved for issuance pursuant to (i) outstanding stock options, restricted stock units ("RSUs") and restricted stock under equity incentive plans, (ii) outstanding warrants, (iii) outstanding convertible notes and (iv) future awards which may be made under the Aspen Group, Inc. 2018 Equity Incentive Plan, leaving a balance of 283,193 shares of Common Stock available for issuance. This includes shares of Common Stock issuable upon conversion of \$10 million of convertible notes which the Company issued in an offering which closed on March 14, 2022. These notes, which subject to prior conversion or repayment mature in March 2027, are convertible into shares of the Common Stock at the lender's option at a conversion price of \$1.00 per share any time after the issuance date. In addition, the notes are mandatorily convertible into shares of Common Stock, should the closing price of the Common Stock be at least \$2.00 per share for 30 consecutive trading days and certain other conditions be met. This mandatory conversion is subject to each lender's 9.9% beneficial ownership limitation and is also subject to the Nasdaq combined 19.99% requirement which generally provides that a listed issuer may not issue 20% or more of its outstanding Common Stock or voting power in a non-public offering at below a minimum price unless the Company's shareholders first approve such issuance.

Given the above outstanding securities and agreements to which the Company is or may become subject, and the nominal amount of shares remaining available for issuance after giving effect to the foregoing, the Board believes it to be in the best interest of the Company to increase the number of shares of Common Stock the Company is authorized to issue in order to enable the Company to comply with its contractual obligations while also giving the Company greater flexibility in addressing its future general corporate needs, including, but not limited to, the offer and sale of Common Stock in one or more registered public offerings, the grant of awards under equity incentive plans, and issuance of shares of capital stock in strategic transactions or to raise capital. The Board believes that additional authorized shares of capital stock will also enable the Company to take timely advantage of market conditions and favorable acquisition opportunities that may become available to the Company. Subject to reserve requirements under outstanding derivative securities, the authorized but unissued shares of Common Stock will be issued at the direction of the Board, without shareholder approval unless required by applicable law or Nasdaq Rules.

7

Compensation Programs

We have historically compensated our employees with RSUs and/or stock options in addition to salaries and other forms of cash compensation.

Our non-employee directors receive compensation for their service as directors and members of committees of the Board, which has historically been granted at the end of each calendar year and consisted of cash and/or stock awards. Our non-employee directors can elect to receive restricted stock instead of all or a portion of their cash compensation for service as directors. Compensation for service on committees of the Board is paid in shares of Common Stock.

If approved by the shareholders, the Proposed Amendment will enable the Company to continue to compensate its directors in equity awards under its compensation programs.

Rights of Additional Authorized Shares

Any newly authorized shares of Common Stock will have the same rights as the shares of Common Stock now authorized and outstanding. The Proposed Amendment will not affect the rights of current holders of Common Stock, none of whom have preemptive or similar rights to acquire the newly authorized shares.

Potential Adverse Effects of the Proposed Amendment

The Board has no current plans to issue any additional shares of Common Stock following the effectiveness of the Proposed Amendment. Adoption of the Proposed Amendment alone will not have any immediate dilutive effect on the proportionate voting power or other rights of the Company's existing shareholders. However, any issuance of Common Stock at the direction of the Board or otherwise in the future, generally without obtaining shareholder approval (unless specifically required by applicable law or Nasdaq Rules) may, among other things, result in dilution to our shareholders at the time such additional shares are issued.

Additionally, an increase in the number of authorized shares of Common Stock may make it more difficult to, or discourage an attempt to, obtain control of the Company by means of a takeover bid that the Board determines is not in the best interest of the Company and its shareholders. However, the Board does not deem the proposed increase in the number of authorized shares of Common Stock pursuant to the Proposed Amendment as an anti-takeover measure and is not aware of any attempt or plan by a third party to obtain control of the Company.

No Appraisal Rights

Shareholders have no rights under the Delaware General Corporation Law or under our Certificate of Incorporation to exercise dissenters' rights of appraisal with respect to the approval of the Proposed Amendment.

THE BOARD OF DIRECTORS RECOMMENDS THAT THE SHAREHOLDERS VOTE "FOR" THIS PROPOSAL 1.

PROPOSAL 2. THE ADJOURNMENT PROPOSAL

General

The Company is asking shareholders to approve, if necessary, adjournment of the Special Meeting to solicit additional proxies in favor of the Authorized Share Increase Proposal. Any adjournment of the Special Meeting for the purpose of soliciting additional proxies will allow shareholders who have already sent in their proxies to revoke them at any time prior to the time that the proxies are used.

Vote Required

The affirmative vote of a majority of the votes cast for or against this Proposal 2 is required to approve the Adjournment Proposal. Abstentions and will not be considered as votes cast under the Company's Bylaws, and accordingly will have no effect on the outcome of this Proposal 2.

THE BOARD OF DIRECTORS RECOMMENDS THAT THE SHAREHOLDERS VOTE "FOR" THIS PROPOSAL 2.
