Board Responsibilities

The Board oversees, counsels, and directs management in the long-term interest of the Company and its shareholders. The Board’s responsibilities include establishing broad corporate policies and reviewing the overall performance of the Company. The Board is not, however, involved in the operating details on a day-to-day basis. In December 2017, our Board established an Executive Committee which, subject to the limitations of Delaware law, has since performed the functions of the Board.

Board Committees and Charters

The Board and its committees meet throughout the year and act by written consent from time to time as appropriate. The Board delegates various responsibilities and authority to its Board committees. Committees regularly report on their activities and actions to the Board. The Board currently has and appoints the members of the following standing committees: the Executive Committee, the Audit Committee, the Compensation Committee and the Corporate Governance and Nominating Committee (the “Nominating Committee”). Each of the committees, except for the Executive Committee, has a written charter approved by the Board which can be found on our corporate website at <http://ir.aspen.edu/governance-docs>.

Director Independence

With the exception of Michael Mathews and Oksana Malysheva, our Executive Committee determined that all of the directors are independent in accordance with standards under the Nasdaq Listing Rules.

Our Executive Committee determined that as a result of being employed as an executive officer, Mr. Mathews is not independent under the Nasdaq Listing Rules. Based on the advice of our counsel, our Executive Committee determined that as a result of being the managing partner of Linden Education, the company from which we purchased the assets of United States University (“USU”), Oksana Malysheva is not independent under the Nasdaq Listing Rules.

Our Executive Committee has also determined that Rick Solomon, Sanford Rich, and C. James Jensen are independent under the Nasdaq Listing Rules independence standards for Audit Committee members. Also, our Executive Committee has determined that C. James Jensen, Norman D. Dicks, and John Scheibelhoffer are independent under the Nasdaq Listing Rules independence standards for Compensation Committee members. Also, our Executive Committee has determined that Michael D'Anton, Andrew Kaplan, and Malcolm MacLean IV are independent under the Nasdaq Listing Rules independence standards for Nominating and Corporate Governance Committees. Also, our Executive Committee has determined that C. James Jensen, Andrew Kaplan, and Sanford Rich, as members of the Executive Committee, are independent under the Nasdaq Listing Rules independence standards for independent directors.

Committees of the Board of Directors

Executive Committee

The function of the Executive Committee is to provide a committee for the Company which can approve corporate actions efficiently or in a timely fashion when the full Board is unavailable. The Executive Committee was established in December 2017.

Audit Committee

The Audit Committee reviews the Company's financial reporting process on behalf of the Board and administers our engagement of the independent registered public accounting firm. The Audit Committee meets with the independent registered public accounting firm, with and without management present, to discuss the results of its examinations, the evaluations of our internal controls, and the overall quality of our financial reporting. Management has the primary responsibility for the financial statements and the reporting process, including the system of internal controls.

Audit Committee Financial Expert

Our Executive Committee has determined that Mr. Sanford Rich is qualified as an Audit Committee Financial Expert, as that term is defined by the rules of the SEC and in compliance with the Sarbanes-Oxley Act of 2002.

Compensation Committee

The function of the Compensation Committee is to determine the compensation of our executive officers. The Compensation Committee has the power to set performance targets for determining periodic bonuses payable to executive officers and may review and make recommendations with respect to shareholder proposals related to compensation matters. Additionally, the Compensation Committee is responsible for administering the 2012 Equity Incentive Plan (the "Plan").

Corporate Governance and Nominating Committee

The responsibilities of the Nominating Committee include the identification of individuals qualified to become Board members, the selection of nominees to stand for election as directors, the oversight of the selection and composition of committees of the Board, establishing procedures for the nomination process including procedures, oversight of possible conflicts of interests involving the Board and its members, developing corporate governance principles, and the oversight of the evaluations of the Board and management. The Nominating Committee has not established a policy with regard to the consideration of any candidates recommended by shareholders. If we receive any shareholder recommended nominations, the Nominating Committee will carefully review the recommendation(s) and consider such recommendation(s) in good faith.

Board and Committee Meetings in the 2018 Fiscal Year

In the 2018 Fiscal Year the Board had four meetings, the Executive Committee had three meetings, the Audit Committee had five meetings, and the Compensation Committee had two meetings. The Nominating Committee had no meetings in the 2018 Fiscal Year.

There were no directors (who were incumbent at the time) except for Mr. Norman Dicks, who attended fewer than 75 percent of the aggregate total number of Board meetings and meetings of the Board committees of which the director was a member during the 2018 Fiscal Year.

Board Diversity

While we do not have a formal policy on diversity, our Board considers diversity to include the skill set, background, reputation, type and length of business experience of our Board members as well as a particular nominee's contributions to that mix. Our Board believes that diversity brings a variety of ideas, judgments and considerations that benefit the Company and its shareholders. Although there are many other factors, the Board seeks individuals with experience on public company boards or the investment community, experience on operating growing businesses, and experience with online universities.

Board Leadership Structure

We have chosen to combine the Chief Executive Officer and Board Chairman positions. We believe that this Board leadership structure is the most appropriate for the Company. Because we are a small company, it is more efficient to have the leadership of the Board in the same hands as the Chief Executive Officer. The challenges faced by us at this stage – implementing our business and marketing plans and continuing and managing our growth – are most efficiently dealt with by one person who is familiar with both the operational aspects as well as the strategic aspects of our business.

Board Role in Risk Oversight

Our risk management function is overseen by our Board. Our management keeps its Board apprised of material risks and provides its directors access to all information necessary for them to understand and evaluate how these risks interrelate, how they affect us, and how management addresses those risks. Mr. Michael Mathews, as our Chief Executive Officer and Chairman of the Board, works closely together with the Board once material risks are identified on how to best address such risks. If the identified risk poses an actual or potential conflict with management, our independent directors may conduct the assessment. Presently, the primary risks affecting us are our ability to grow our business, increase our enrollment and class starts, reduce the dependence on the continued growth of our nursing school and manage our expected growth consistent with regulatory oversight.

Code of Ethics

Our Board has adopted a Code of Ethics that applies to all of our employees, including our Chief Executive Officer and Chief Financial Officer. Although not required, the Code of Ethics also applies to our directors. The Code of Ethics provides written standards that we believe are reasonably designed to deter wrongdoing and promote honest and ethical conduct, including the ethical handling of actual or apparent conflicts of interest between personal and professional relationships, full, fair, accurate, timely and understandable disclosure and compliance with laws, rules and regulations, including insider trading, corporate opportunities and whistleblowing or the prompt reporting of illegal or unethical behavior. We will provide a copy, without charge, to anyone that requests a copy of our code of ethics in writing by contacting Aspen Group, Inc., 276 Fifth Avenue, Suite 306, New York, New York 10001, Attention: Corporate Secretary.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires our directors, executive officers, and persons who own more than 10% of our common stock to file initial reports of ownership and changes in ownership of our common stock and other equity securities with the SEC. These individuals are required by the regulations of the SEC to furnish us with copies of all Section 16(a) forms they file. Based solely on a review of the copies of the forms furnished to us, and written representations from reporting persons, we believe that all filing requirements applicable to our officers, directors and 10% beneficial owners were complied with during the 2018 Fiscal Year except for one late filing by Ms. Janet Gill, not timely filed due to an administrative error.

Communication with our Board of Directors

Although we do not have a formal policy regarding communications with the Board, shareholders may communicate with the Board by writing to us at Aspen Group, Inc., 276 Fifth Avenue, Suite 306, New York, New York 10001, Attention: Corporate Secretary. Shareholders who would like their submission directed to a member of the Board may so specify, and the communication will be forwarded, as appropriate.

Risk Assessment Regarding Compensation Policies and Practices as they Relate to Risk Management

Our compensation program for employees does not create incentives for excessive risk taking by our employees or involve risks that are reasonably likely to have a material adverse effect on us. Our compensation has the following risk-limiting characteristics:

- Our base pay programs consist of competitive salary rates that represent a reasonable portion of total compensation and provide a reliable level of income on a regular basis, which decreases incentive on the part of our executives to take unnecessary or imprudent risks;
- A portion of executive incentive compensation opportunity is tied to long-term incentive compensation that emphasizes sustained performance over time. This reduces any incentive to take risks that might increase short-term compensation at the expense of longer term company results;
- Awards are not tied to formulas that could focus executives on specific short-term outcomes;
- Equity awards may be recovered by us should a restatement of earnings occur upon which incentive compensation awards were based, or in the event of other wrongdoing by the recipient; and
- Equity awards, generally, have multi-year vesting which aligns the long-term interests of our executives with those of our shareholders and, again, discourages the taking of short-term risk at the expense of long-term performance.

Item 11. Executive Compensation

The following information is related to the compensation paid, distributed or accrued by us for the fiscal year ended April 30, 2017 (the “2017 Fiscal Year”) and 2018 Fiscal Year to all Chief Executive Officers (principal executive officers) serving during the last fiscal year and the two other most highly compensated executive officers serving at the end of the last fiscal year whose compensation exceeded \$100,000 (the “Named Executive Officers”).

\$2,000,000 - \$3,999,999	16.5%	16.5%	Up to 16.5%	Up to 16.5%
\$4,000,000 and over	25%	25%	Up to 25%	Up to 25%

The earning of the Automatic Cash Bonus is subject to the Company having at least \$2,000,000 in available cash after deducting the Target Bonuses paid to all executive officers of the Company or its subsidiaries under the same Target Bonus formula pursuant to such executives' employment agreements (the "Cash Threshold") and the executive officer continuing to provide services under their Employment Agreement on the applicable Target Bonus determination date. If the Company is unable to pay the Automatic Cash Bonus as a result of not meeting the Cash Threshold, no Automatic Cash Bonus will be earned for that fiscal year.

Discretionary Bonus

Each of the Named Executive Officers is entitled to receive discretionary bonuses under their Employment Agreements at the discretion of the Compensation Committee. In the 2017 and 2018 Fiscal Years, the Named Executive Officers were each paid discretionary cash bonuses as disclosed in the Summary Compensation Table.

Termination Provisions

Under their Employment Agreements, the Named Executive Officers are entitled to severance payments. All of the termination provisions are intended to comply with Section 409A of the Internal Revenue Code of 1986, or the Code, and the Regulations thereunder.

In the event of termination by the Company without "cause" or resignation for "good reason."

- Mr. Mathews will receive 12 months base salary, immediate vesting of unvested equity awards and continued benefits;
- Dr. St. Arnaud will receive six months base salary and continued benefits; and
- Mr. Wendolowski will receive six months base salary and continued benefits.

In case of termination or change in title upon a change of control event:

- Mr. Mathews will receive 18 months base salary, immediate vesting of unvested equity, continued benefits and 100% of the existing Target Bonus, if any, for that fiscal year when the change of control occurs.
- Dr. St. Arnaud and Mr. Wendolowski will each receive three months base salary.

In the event Mr. Mathews' Employment Agreement is terminated at the end of its term upon the notice of non-renewal and he remains employed until the end of the term, Mr. Mathews will be entitled to receive six months base salary.

"Change of control" is defined in the Employment Agreements the same way it is defined under Section 409A of the Code. Generally, "good reason" is defined as a material diminution in the Named Executive Officer's authority, duties or responsibilities due to no fault of his or her own (unless he or she has agreed to such diminution); or (ii) any other action or inaction that constitutes a material breach by the Company under the Employment Agreement; or (iii) generally a relocation of the principal place of employment to a location outside of New York or Scottsdale for Dr. St. Arnaud.

Under the terms of the Employment Agreements, the Named Executive Officers are subject to non-competition and non-solicitation covenants during the term of their employment and during one year following termination of employment with the Company. The Employment Agreements also contain customary confidentiality and non-disparagement covenants.

Item 13. Certain Relationships and Related Transactions, and Director Independence

On August 31, 2016, the Company entered into a \$3 million revolving line of credit agreement ("LOC") with Mr. Leon Cooperman. Under the LOC, Mr. Cooperman agreed to lend the Company up to a maximum of \$3 million on a revolving basis for up to three years. The Company paid Mr. Cooperman a facility fee of \$60,000 and issued Mr. Cooperman a revolving promissory note. In addition, the Company will pay to Mr. Cooperman interest monthly on the principal amount of the note outstanding at a rate of 12% per annum, and a commitment fee monthly on the undrawn portion of the note at a rate of 2% per annum. Upon issuance, the Company borrowed \$750,000 under the LOC. The Company also issued to Mr. Cooperman 62,500 five-year warrants exercisable at \$2.40 per share. On April 7, 2017, the Company repaid \$2,157,534 to Mr. Cooperman which was the full amount owed by the Company under the LOC.

On April 7, 2017, Kinderhook 2 GP, LLC and Alvin Fund LLC (controlled by Mr. George Melas-Kyriazi) invested approximately \$1.4 million and \$825,000 respectively, in the Company's private placement offering. At the time of the investment both Kinderhook 2 GP, LLC and Alvin Fund LLC were both 5% shareholders of the Company. Additionally, Goudy Park Management, LLC invested approximately \$2 million in the April 2017 offering which resulted in it becoming a 5% shareholder. The investments were on the same terms as other investors in the offering.

On December 1, 2017, the Company completed the acquisition of USU and, as part of the consideration, a \$2,000,000 convertible note (the “2017 Note”) was issued, bearing 8% annual interest that matures over a two-year period after the closing. At the option of the holder, on each of the first and second anniversaries of the closing date, \$1,000,000 of principal and accrued interest under the 2017 Note will be convertible into shares of the Company’s common stock based on the volume weighted average price per share for the 10 preceding trading days (subject to a floor of \$2.00 per share) or become payable in cash. There was no beneficial conversion feature on the note date and the conversion terms of the 2017 Note exempt it from derivative accounting. The 2017 Note was subsequently assigned by the holder to a third party.

On July 18, 2018, the Company entered into a Stock Purchase Agreement with Educación Significativa for the repurchase of 1,000,000 shares of the Company’s common stock at \$7.40 per share. Ms. Oksana Malysheva, a director of the Company, is the sole member and manager of Linden Education, which is the sole voting member of Educación Significativa. The Company simultaneously sold 1,000,000 shares of common stock to a large asset manager at the same price or \$7.40 per share.
