**Item 8.01 Other Events.**

On September 20, 2022, Aspen University and the Arizona State Board of Nursing entered into a Consent Agreement under which Aspen agreed to voluntarily surrender its program approval for its pre-licensure registered nursing program in Phoenix, Arizona. Aspen sought the agreement after concluding that it was unable to meet the minimum 80% NCLEX first-time pass rates for calendar year 2022, which is a requirement of an earlier consent agreement that Aspen and the Board signed in March 2022. Aspen did so to minimize uncertainty for its students. Aspen had suspended admissions to its Arizona program in January 2022.

Under the terms of the Consent Agreement, Aspen will continue its current Arizona nursing program for all current students and provide regular reports to the Board of Nursing about the program. It remains accountable to the Board to ensure that its current students receive expected instruction and learning opportunities. Once all currently enrolled students in the program have either completed the program or ceased enrollment, or within two years, whichever is sooner, Aspen's program approval will be automatically voluntarily surrendered for a minimum period of two years.

Having entered into this agreement with the Arizona State Board of Nursing, Aspen will suspend new enrollments and complete instruction of its program for currently enrolled Core nursing students in Florida, Georgia, Tennessee and Texas.
