Hidden Ladder, INC.  
(A Development Stage Company)

NOTES TO FINANCIAL STATEMENTS  
(MAY 31, 2011)

NOTE 1. GENERAL ORGANIZATION AND BUSINESS

Hidden Ladder, Inc. is a development stage company, incorporated in the State of Florida on, February 23, 2010, to design a safety product for homeowners. The Hidden Ladder will provide a hidden escape ladder for homeowners. The intent is to provide the homeowner comfort knowing that if there is a fire in their home they will be able to escape safely from the 2nd story. It will neatly fold up and hang under the window and it will not be an eyesore in the home, but at the same time it will be easily accessible.

Hidden Ladder's plan is to sell wholesale only, targeting select retailers. The Company has identified four segments in the retail industry: Chain-retailers, single retailers, homebuilders, and mail order & Internet catalogs. The Company believes that based on the ability of chain-retailers to buy in bulk, this segment has the greatest opportunity. In this segment, the Company identified two categories of interest: home-improvement and safety.

Through May 31, 2011 the Company was in the development stage and has not carried on any significant operations and has generated minimal revenues. The Company has incurred losses since inception aggregating \$21,491. The accompanying financial statements have been prepared assuming that the Company will continue as a going concern. These matters, among others, raise substantial doubt about the ability of the Company to continue as a going concern. These financial statements do not include any adjustments to the amounts and classification of assets and liabilities that may be necessary should the Company be unable to continue as a going concern.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING PRACTICES

Accounting Basis

The Company is currently a development stage enterprise reporting under the provisions of Accounting Standards Codification ("ASC") 915 "Development Stage Entities", which was previously Statement of Financial Accounting Standards ("SFAS") No. 7.

The accompanying unaudited financial statements have been prepared in accordance with generally accepted accounting principles in the United States of America for interim financial information and with the instructions to Form 10-Q and Regulation S-X. Accordingly, the financial statements do not include all of the information and footnotes required by generally accepted accounting principles for complete financial statements. In the opinion of management, all adjustments considered necessary for a fair presentation have been included and such adjustments are of a normal recurring nature. These financial statements should be read in conjunction with the financial statements for the year ended February 28, 2010 and notes thereto and other pertinent information contained in our Form S-1/A the Company has filed with the Securities and Exchange Commission (the "SEC").

The results of operations for the three month period ending May 31, 2011 are not necessarily indicative of the results for the full fiscal year ending February 28, 2012.

Hidden Ladder, INC.  
(A Development Stage Company)

NOTES TO FINANCIAL STATEMENTS  
(MAY 31, 2011)

Cash and Cash Equivalents

For the purpose of the financial statements cash equivalents include all highly liquid investments with maturity of three months or less.

Earnings (Loss) per Share

The basic earnings (loss) per share are calculated by dividing the Company's net income available to common shareholders by the weighted average number of common shares outstanding during the year. The diluted earnings (loss) per share are calculated by dividing the Company's net income (loss) available to common shareholders by the diluted weighted average number of shares outstanding during the year. The diluted weighted average number of shares outstanding is the basic weighted number of shares adjusted as of the first of the year for any potentially dilutive debt or equity. There are no diluted shares outstanding for any periods reported.

Dividends

The Company has not adopted any policy regarding payment of dividends. No dividends have been paid during the periods shown, and none are contemplated in the near future.

Income Taxes

The Company adopted FASB ASC 740, Income Taxes, at its inception deferred tax assets and liabilities are recognized for the future tax consequences attributable to differences between the financial statement carrying amounts of existing assets and liabilities and their respective tax bases. Deferred tax assets, including tax loss and credit carryforwards, and liabilities are measured using enacted tax rates expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. The effect on deferred tax assets and liabilities of a change in tax rates is recognized in income in the period that includes the enactment date. Deferred income tax expense represents the change during the period in the deferred tax assets and deferred tax liabilities. The components of the deferred tax assets and liabilities are individually classified as current and non-current based on their characteristics. Deferred tax assets are reduced by a valuation allowance when, in the opinion of management, it is more likely than not that some portion or all of the deferred tax assets will not be realized. No deferred tax assets or liabilities were recognized as of May 31, 2011.

Advertising

The Company will expense advertising as incurred. The advertising since inception has been \$0.00.

(A Development Stage Company)

NOTES TO FINANCIAL STATEMENTS  
(MAY 31, 2011)

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Revenue and Cost Recognition

The Company has no current source of revenue; therefore the Company has not yet adopted any policy regarding the recognition of revenue or cost.

Property

The company does not own any real estate or other properties. The company's office is located 2803 Isle Street, Rocklin CA 95765. Our contact number is 530-409-0453. The business office is located at the home of David Johnson, the previous CEO of the company at no charge to the company.

Recently Issued Accounting Pronouncements

The Company has adopted all recently issued accounting pronouncements. The adoption of the accounting pronouncements, including those not yet effective, is not anticipated to have a material effect on the financial position or results of operations of the Company.

NOTE 3. SUBSEQUENT EVENTS

We have evaluated events and transactions that occurred subsequent to May 31, 2011 through August 4, 2011, the date the financial statements were issued, for potential recognition or disclosure in the accompanying financial statements.

On June 21, 2011 the Company effected a 12 for one forward stock split of our issued and outstanding common stock.

Other than the disclosures above, we did not identify any events or transactions that should be recognized or disclosed in the accompanying financial statements.

## ITEM 2. MANAGEMENT DISCUSSION AND ANALYSIS OF FINANCIAL CONDITION AND RESULTS OF OPERATION

### Overview

Hidden Ladder, Inc. is a development stage company and was incorporated in Florida on February 23, 2010, to design a hidden escape ladder for homeowners. It has no operations and in accordance with ASC 915 is considered to be in the development stage.

### Results of Operations

The following discussion should be read in conjunction with the condensed financial statements and segment data and in conjunction with the Company's S-1 and amended S-1/A's. Results or interim periods may not be indicative of results for the full year.

During the first three months of the fiscal year 2010 the Company was focused on preparing the documentation required to be filed with the Securities and Exchange Commission (SEC) and with the Financial Industry Regulatory Authority (FINRA). On March 25, 2010 the Company filed a Registration Form S-1 and also filed S-1/A Amendments with the SEC. The Registration Form S-1 and S-1/A Amendments were deemed effective as of August 19, 2010.

Net cash used in operating activities for the three months ended May 31, 2011 was \$11,445 and \$4,137 for the period ending May 31, 2010.

## ITEM 3. QUANTITATIVE AND QUALITATIVE DISCLOSURES ABOUT MARKET RISK.

Not applicable to a smaller reporting company.

## ITEM 4T. CONTROLS AND PROCEDURES

### Management's Report On Internal Control Over Financial Reporting

Our management is responsible for establishing and maintaining adequate internal control over financial reporting. Internal control over financial reporting is defined in Rule 13a-15(f) or 15d-15(f) promulgated under the Securities Exchange Act of 1934 as a process designed by, or under the supervision of, the company's principal executive and principal financial officers and effected by the company's board of directors, management and other personnel, to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with accounting principles generally accepted in the United States of America and includes those policies and procedures that:

- Pertain to the maintenance of records that in reasonable detail accurately and fairly reflect the transactions and dispositions of the assets of the company;
- Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with accounting principles generally accepted in the United States of America and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use or disposition of the company's assets that could have a material effect on the financial statements.

Because of its inherent limitations, internal control over financial reporting may not prevent or detect misstatements. Projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate. All internal control systems, no matter how well designed, have inherent limitations. Therefore, even those systems determined to be effective can provide only reasonable assurance with respect to financial statement preparation and presentation. Because of the inherent limitations of internal control, there is a risk that material misstatements may not be prevented or detected on a timely basis by internal control over financial reporting. However, these inherent limitations are known features of the financial reporting process. Therefore, it is possible to design into the process safeguards to reduce, though not eliminate, this risk.

As of May 31, 2011 management assessed the effectiveness of our internal control over financial reporting based on the criteria for effective internal control over financial reporting established in Internal Control—Integrated Framework issued by the Committee of Sponsoring Organizations of the Treadway Commission ("COSO") and SEC guidance on conducting such assessments. Based on that evaluation, they concluded that, during the period covered by this report, such internal controls and procedures were not effective to detect the inappropriate application of US GAAP rules as more fully described below. This was due to deficiencies that existed in the design or operation of our internal controls over financial reporting that adversely affected our internal controls and that may be considered to be material weaknesses.

The matters involving internal controls and procedures that our management considered to be material weaknesses under the standards of the Public Company Accounting Oversight Board were: (1) lack of a functioning audit committee due to a lack of a majority of independent members and a lack of a majority of outside directors on our board of directors, resulting in ineffective oversight in the establishment and monitoring of required internal controls and procedures; (2) inadequate segregation of duties consistent with control objectives; and (3) ineffective controls over period end financial disclosure and reporting processes. The aforementioned material weaknesses were identified by our Chief Executive Officer in connection with the review of our financial statements as of May 31, 2011.

Management believes that the material weaknesses set forth in items (2) and (3) above did not have an effect on our financial results. However, management believes that the lack of a functioning audit committee and the lack of a majority of outside directors on our board of directors results in ineffective oversight in the establishment and monitoring of required internal controls and procedures, which could result in a material misstatement in our financial statements in future periods.

#### Management's Remediation Initiatives

In an effort to remediate the identified material weaknesses and other deficiencies and enhance our internal controls, we have initiated, or plan to initiate, the following series of measures:

We will create a position to segregate duties consistent with control objectives and will increase our personnel resources and technical accounting expertise within the accounting function when funds are available to us. And, we plan to appoint one or more outside directors to our board of directors who shall be appointed to an audit committee resulting in a fully functioning audit committee who will undertake the oversight in the establishment and monitoring of required internal controls and procedures such as reviewing and approving estimates and assumptions made by management when funds are available to us.

Management believes that the appointment of one or more outside directors, who shall be appointed to a fully functioning audit committee, will remedy the lack of a functioning audit committee and a lack of a majority of outside directors on our Board.

We anticipate that these initiatives will be at least partially, if not fully, implemented by May 31, 2012. Additionally, we plan to test our updated controls and remediate our deficiencies by December 31, 2011.

#### Changes in internal controls over financial reporting

There was no change in our internal controls over financial reporting that occurred during the period covered by this report, which has materially affected, or is reasonably likely to materially affect, our internal controls over financial reporting.
